

A Beautiful Holiday

Wearing White

Keeping your teeth pearly white can be environmentally friendly with this bamboo-handle toothbrush by Brush with Bamboo. Save plastic from ending up in landfills with the recycling tips available on their website. (They make a really cool bamboo straw, too!) **\$19.99 for the 4-pack, at brushwithbamboo.com**

Carried Away

The stylish Stingray clutch by Deborah Barnet is made from Shagreen, hand-stitched with waxed linen thread lined in lamb, and has a magnetic closure. Available in both shiny and matte finishes. **\$950, at deborahbarnet.com**

Listen to This

These large, gold tone, vintage 1990 Chanel earrings are just part of the treasured collection of designer handbags (think Louis Vuitton and Gucci), clothing, jewelry and other high-end accessories from High Karat. **Buy, sell and consign by appointment only; \$250, at 323.376.2841; highkarat.com**

Shiny and Sleek

Exclusive to one salon in the U.S., Japanese product Dazzle locks in moisture with camellia and argan oils that are absorbed by the hair cuticles to form a water-resistant coating and prevent damage from harsh chemicals while stopping already-processed hair from absorbing drying chemicals. It's a favorite for sleek and shiny hair. **\$28, at Sho Studio; shostudio.com; 312.867.7461**

What a Treat!

Relax in a sinfully sweet bath—free of calories—with Cupcake Bath Bombs. These luxurious handmade treats are made with sweet almond oil and Dead Sea salts, which leave skin smelling simply delicious! **\$5 each, at soapybliss.com**
